

school supply sales week of sunday, july 27

CVS

- Avery or Caliber binders start at 3.99. As a general rule of thumb, I don't buy a binder for over \$5. You can find them on sale. *(One exception is the 4' binder. Those are just dang expensive and never go on sale).*
- Crayola Crayons and Colored Pencils, 24 pack. Crayola is hard to know their sales and prices, but this is a goodish deal. I have bought the off brand crayons and colored pencils, they just don't hold up!

Walgreens

- Wexford 1 subject notebook, 60 or 70 sheets, .49 cents with coupon and card. Limit 3. Most of the time, cashiers don't mind if I do 2 transactions as long as I have 2 coupons (grab an extra circular when you walk in).
- Wexford highlighter, .49 cents with coupon and card. Limit 3 per item.
- Wexford sticky notes (50pk) or page markers, wooden ruler, 6 for \$1 with coupon and card. Limit 6. Note on this one, the sticky notes are not what is pictured but they are still on sale and that is a dang good price!
- Wexford school glue and no. 2 pencils, .39 cents with coupon and card. Limit 3. This is a steal for pencils. You might notice that Target also has pencils on sale this week in a bigger pack, but if you check the unit price this is much cheaper (.04 cents per pencil!)
- Wexford 1, 3, and 5 subject notebook, buy 1 get 1 free. No coupon necessary
- 1in Wexford binders, \$1.99.
- Wexford filler paper and composition books, .79 cents each. This is an okay deal on filler paper. I have seen it for .10 cents per pack before but that only happens once a season usually.
- There are also various Papermate items on sale for .99 cents per item that don't require coupons, which is a pretty good deal.

Office Depot

Note there is a \$5 minimum purchase. So if you come up short, just buy some candy at the front. That's what I do at least, it's a good reward! Don't be tempted to grab other school supplies you see that aren't on sale; again they are trying to get you in the door with low prices and then have you buy other items at higher prices.

- Office Depot 6in protractor, .25 cents each
- Office Depot and Wescott 5in scissors, .25 cents each
- Office Depot brand folders, .01 cents each
- Scholastic and Office Max glue, .25 cents each
- various Office Depot brand binders, \$4 each
